

"CLOWNS Give me The creeps"
By PAT/SALTY

To yours Truly - to me, SALTY -
CLOWNS ARE NOT FUNNY.

Never were AND never will be.

The Happy ~~smiley~~ smiley Faced

CIRCUS / BIRTHDAY CLOWNS ARE THE WORST.

EVER SINCE I WAS A KID I HATED THEM.

They SCARED me AND SICKENED me.

EVEN TODAY I FIND THEM CREEPY.

BIG phoney PAINTED ON SMILES.

OVERSIZED CLOWN SHOES. WHATS FUNNY

ABOUT THAT, I'DD LIKE TO KNOW?

They LOOK STUPID.

EVEN THEIR BRIGHT GLITTERY CLOWN

SUITS I DONT LIKE.

JOHN WAYNE GACY, THE INFAMOUS

MASS SERIEL KILLER, WAS A CLOWN

Who - When NOT ABDUCTING + TORTURING

AND KILLING YOUNG MEN (AND STASHING

THEIR BODYS IN HIS HOUSES WALLS) -

"ENTERTAINED" KIDS AT CHILDRENS

BIRTHDAY PARTYS FOR YEARS, ALL THE

WHILE CONDUCTING HIS NOT VERY FUNNY

MURDERING BUSINESS ON THE SIDE.

GROWN MEN WEARING MAKEUP AND

ACTING LIKE CUSTOMED ASSES FOR FUN

AND PROFIT IS NOT MY CUP OF TEA.

I HATE CIRCUS CLOWNS MOST OF ALL.

The Bummy type RAGGED SAD CLOWNS

~~ARE~~ TOLERABLE, AT LEAST; ITS THE

GLITTERY HAPPY FACED CLOWNS THAT

I DONT LIKE ANY NEVER DID.

They COULD BE HAVING MURDEROUS THOUGHTS

AND NOBODY WOULD EVER KNOW, They →

(2)

Hide Behind Gobbs of Painted
on Junk. And Those Stupid Looking
Collars - or whatever they call those
ugly things they wear around their
clown necks - look stupid.
Professional clowns have their own
union. They even copywrite their
makeup & costumes, the famous clowns
do. How Assinine! I get the sense
that most people laugh at clowns
only because they think they are
supposed to laugh; that the clowns
are pushy and they get in peoples
faces and people feel intimidated
into laughing; it is sick! All their
stupid tricks are not funny to
anyone with an I.Q. level greater
than a certified idiot. It's said
that the late Michele Jackson had
a lifelong phobia against clowns
(it even has a clinical official name,
this clown phobia does) perhaps I might
have such a clown phobia, too - I don't
know, if so, it will have been the only
thing I ever had in common with
Michele Jackson, that's for sure.
How ironic - isn't it - that Michele
Jackson - for all his lifelong fear and
phobia concerning clowns, ~~and~~ ended up,
in his final years, ~~looking like~~
very much like one himself - no?
Well, there was nothing funny about
Michele Jackson and - to me - there is
nothing funny about clowns, either. X X X
