

"GONORRHEA, DIAREHA, AND NORTH KOREA"  
BY PAT/SALTY

THE ABOVE: ALL BAD.  
COLD BEER ON A HOT DAY: GOOD.  
COLD BEER ON A COLD DAY: NOT AS GOOD.  
HOT BEER ON A COLD DAY: STILL NOT THAT GOOD.  
HOT BEER ON A HOT DAY: REALLY, REALLY BAD,  
Like, AWFULL BAD.  
Like, AS BAD AS BAD CAN GET, BAD.  
HOT BEER ON A HOT DAY?  
NOW THATS GONORRHEA BAD.  
OR THATS DIAREHA BAD.  
OR THATS NORTH KOREA BAD.  
IT CANT EVEN GET BADDER THEN THAT.  
WELL - ACTUALLY - IT COULD; JUST  
IMAGINE YOURSELF STUCK IN NORTH KOREA.  
LAYED UP WITH A BAD CASE OF DIAREHA.  
WITH NOTHING TO EATOR DRINK BUT WARM BEER.  
BROUGHT TO YOU BY SOME GONORRHEA  
INFECTED ~~ROCK~~ NORTH KOREAN COMMUNIST.  
DURING SOME JULY HEAT WAVE;  
NOW, THATS BEYOND BAD!  
BY COMBINING THEM ALL TOGETHER, IN JUST  
SUCH A SENARIO, YOU WOULD THEORETICALLY  
ACHIEV A STATE OF ZEN BAD;  
A "PERFECT" BAD - AND THAT AINT GOOD.

"RRRRRRRR"
