

"PRINCESS DIANNA WARNS: Buckle up for safety"  
BY PAT/SALTY

FOR ALL THE NEWS AND ENTERTAINMENT SHOWS PUT OUT FOR PUBLIC CONSUMPTION IN THE DAYS + WEEKS + MONTHS AFTER HER TRAGIC DEATH IN THAT PARIS CAR CRASH, THE MAIN - THE ONLY! - LESSON OF THE LATE PRINCESS DIANNA'S DEATH BACK IN 1997 SHOULD HAVE BEEN THE ONE THING THE STUPID NEWS + ENTERTAINMENT MEDIA NEVER HIGHLIGHTED (THEN OR SENSE) SO I - PAT/SALTY - WILL - RIGHT NOW,

PRINCESS DIANNA DIED BECAUSE SHE DIDN'T PUT ON HER CAR SEAT BELT!  
- END OF STORY -  
SHE FAILED - FOR WHATEVER REASON - TO "BUCKLE UP!"  
AND THAT FAILURE KILLED HER.  
AND HER EGYPTIAN BOYFRIEND.  
AND THEIR CAR'S DRIVER.  
BECAUSE THOSE 3 WEREN'T WEARING SEATBELTS,  
THE ONLY ONE OF THE CAR'S FOUR OCCUPANTS WHO WAS WEARING A SEATBELT WAS HER BRITISH BODYGUARD -  
AND HE WAS THE ONLY ONE THAT LIVES!

(2)

This DOCUMENTED FACT WAS THE ONLY  
IMPORTANT STORY IN ALL OF THAT.

THE ONLY STORY ABOUT THE WHOLE TRAGEDY  
THAT WAS WORTH Publicizing.

AND IT HARDLY EVEN GOT MENTIONED AT ALL!

BEING THAT THE MASS MEDIA - LIKE  
SEEMINGLY EVERY OTHER INSTITUTION -  
WAS AND IS RUN BY EDUCATED IGNORAMUSES.

SO ITS UP TO ME TO SPEAK FOR THE  
LATE PRINCESS DIANNA AND TO DRIVE  
THAT ONE IMPORTANT MESSAGE HOME;  
ALWAYS BUCKLE UP FOR SAFETY!

IF DIANNA HAD, SHE WOULDN'T HAVE  
DIED IN THAT 1997 PARIS CAR CRASH.

THE LESSON IS AS SIMPLE AS THAT.

IF PEOPLE DRAW THAT LESSON FROM  
HER 1997 DEATH, THEN SHE WILL  
NOT HAVE DIED IN VAIN.

"THIS IS HER MESSAGE TO THE WORLD;  
"DON'T MAKE THE SAME MISTAKE I DID."

FOR EVERY CAR OR VEHICAL DRIVER OR  
PASSENGER, BUCKLING UP ONES SEAT BELT  
SHOULD ALWAYS BE PRIORITY 1, 2, AND 3.

END OF DISCUSSION.

"RRRRRRRR"
