

" READ THIS, IT COULD ONE DAY SAVE YOUR LIFE " BY PAT/SALTY

MOST PEOPLE KILLED CROSSING BUSY AVENUES AND HIGHWAYS ARE KILLED BECAUSE THEY DO NOT WAIT UNTILL IT IS CLEAR BOTH WAYS BEFORE CROSSING - THEY CROSS HALFWAY BECAUSE ITS QUICKER - THEN GET RUN OVER WHILE WAITING IN THE MIDDLE!

SO DONT - EVER - DO IT THAT WAY! TRUST ME - PAT/SALTY - ON THIS BECAUSE I KNOW - WILL YOU HAVE TO WAIT LONGER TO ATTEMPT YOUR CROSSING?

ABSOLUTELY; BUT YOU WILL MAKE IT EVERY TIME. ALSO, WITH ALL DO RESPECT (BUT ONLY WHERE IT'S DESERVED) ASK YOURSELVES WHY, WHEN IT GETS REPORTED ON THE NEWS OR IN THE NEWSPAPERS THAT SOME PERSON GOT KILLED ~~CROSSING SOME~~ TRYING TO CROSS SOME BUSY AVENUE OR HIGHWAY, WHY THE REPORTS HARDLY EVER CLEARLY TELL YOU THAT THE UNFORTUNATE INDIVIDUAL GOT KILLED - RUN OVER - IN THE MIDDLE OF THE ROAD AFTER GOING HALFWAY ACROSS ??? EVEN THOUGH THATS WHAT ALMOST ALWAYS HAPPENS IN SUCH ACCIDENTS? SO HOW COME THOSE WRITING ABOUT AND REPORTING SUCH ACCIDENTS HARDLY EVER DRIVE THAT POINT ACROSS ??? "RRRR" X
