

"Which came first; The chicken or The egg?"

By PAT/SALTY

My answer; The egg.

"So what laid the egg?" you ask.
My answer; NOT a chicken - NOT ANY ANIMAL THAT WOULD be recognised by people TODAY AS A chicken BUT AN ANIMAL THAT WOULD be recognised AS A REPTILE THAT SORT OF LOOKED SOMETHING LIKE A chicken.

AND OUT OF THAT creature came the first chicken egg BECAUSE OUT OF THAT egg came - wonder of wonder! - what we would recognise TODAY AS THE VERY FIRST CHICKEN! A FREAK. A FREAK OF NATURE. The first creature ever born that was more chicken ~~more~~ than reptile ~~more~~. So the answer to the age old

"UNSOLVABLE" RIDDLE - SALTYS ANSWER - is; THE EGG came first.

BECAUSE THE REPTILE-LIKE ANSWESTERS OF TODAY'S chickens ALSO LAYED EGGS.

REPTILES-AND BIRDS- STILL DO.

SO THE EGG HAD TO HAVE come FIRST.

MY LOGICAL DEDUCTION DICTATES THAT.

THE EGG came FIRST-THEN, THE chicken.

AND - OF COURSE - THAT FIRST chicken GOT PREGNANT AND LAYED ITS EGG AND

FROM ITS EGG EMERGED (OR FROM ITS

2ND OR 3RD GENERATIONS EGG EMERGED)

A CREATURE EVEN MORE LIKE TODAY'S chickens; AND SO ON OVER THE AGES

(2)

suceeding GENERATIONS OF chickens EVOLVED MORE AND MORE FEATHERS AND SLOWLY EVOLVED INTO WHAT WE ALL RECOGNISE TODAY AS THE MODERN CHICKEN. BUT MAKE NO MISTAKE; IT ALL STARTED WITH THE EGG, NOT THE OTHER WAY AROUND! BUT THIS WHOLE QUESTION ~~RAISES~~ RAISES A MUCH MORE FUNDAMENTAL AND IMPORTANT ISSUE; HOW COME NONE OF THE EXPERTS HAVE ~~NEVER~~ EVER BEEN ABLE TO ANSWER THE "WHICH CAME FIRST" RIDDLE? HOW COME IT STUMPED EVERY LAST ONE OF THEM?

WHAT IS WRONG WITH THEM AND WITH THEIR WAY OF THINKING?

WHY DID SUCH A SEEMINGLY OBVIOUS ANSWER + EXPLANATION ALWAYS ALLUDE THEM? EVERY LAST ONE OF THEM?

I FIGURED OUT THE ANSWER SIMPLY BY THINKING OUT OF THE BOX; I JUST PROJECTED MYSELF BACKWARDS IN TIME AND WENT FORWARDS STEP BY STEP SLOWLY AND SYSTEMATICALLY AND - IN SO DOING - THE ANSWER "THE EGG HAS TO HAVE COME FIRST" EMERGED AND BECAME CLEAR ON ITS OWN - NATURALLY.

MY QUESTION; HOW COME THE EXPERTS AND KNOWLAGABLE AND EDUCATED SPECIALISTS DO NOT DO THIS? HOW IS IT THEY NEVER DID?

WHATS WRONG WITH THEM ALL? AND HOW ARE WE TO HAVE FAITH IN THEIR OPINIONS AND KNOWLAGE AND EXPERTISE IF THEY CAN NOT? THIS IS THE MOST IMPORTANT QUESTION OF ALL - X

[THE END]
