

" COMPUTERS "

By PAT/SALTY

THE VERY FIRST COMPUTERS DEVELOPED BACK IN THE 1940'S WERE AS BIG AS AN ENTIRE ROOM.

NOW LOOK AT THEM; "OH, HOW THE MIGHTY HAVE FALLEN" — NOT!

BECAUSE, UNLIKE WITH "MALE ENHANCEMENT", BIGGER IS NOT BETTER WHERE COMPUTERS ARE CONCERNED.

SMALLER IS.

SMALLER AND SMALLER AND SMALLER. ACCORDING TO "MOORES LAW", THE POWER OF COMPUTER PROCESSERS DOUBLES ABOUT ONCE EVERY 18 MONTHS. AND "MOORES LAW" HAS HELD STEADY OVER THE YEARS AND DECADES SINCE IT WAS FIRST STATED.

By.... some Guy.... NAMED-WHATELSE?-MOORE. I - PAT/SALTY - KNOW THIS FOR A FACT. MR. MOORE CLARIFIED THE THEORY OF HOW FAST COMPUTERS WOULD DEVELOP AND HOW FAST THEIR MICRO PROCESSERS WOULD SHRINK, AND HENCE HOW ~~WORLD~~ COMPUTERS WOULD BECOME SMALLER AND SMALLER AS TIME WENT BY. TINY LITTLE COMPUTERS ARE BEING

Imbedded Everywhere NOWADAYS
IN NEW CARS, MACHINERY, Houses,
REFRIGERATORS, OVENS, YOU NAME IT.
IT IS A COMPUTER REVOLUTION, ALLRIGHT.
LETS JUST HOPE THE VICTORS IN THIS
REVOLUTION DON'T DESIDE TO HAVE THOSE
ON THE LOSING SIDE SHOT.
WHOEVER THE WINNERS AND LOSERS ARE
(OR WILL BE.)

HOPEFULLY, TODAY'S COMPUTER REVOLUTION
SWEEPING THE WORLD WILL BE A

PEACEFULL AND BLOODLESS REVOLUTION —
UNLIKE THE OTHER KIND OF REVOLUTION.

AND THINGS WILL ONLY GET SMALLER, FOLKS.

AT WHAT POINT WILL THE VERY FIRST
PEOPLE ELECT TO HAVE THEMSELVES
PHISICALLY HOOKED UP DIRECTLY WITH
A MACHINE, ~~OR~~ IMPLANTED WITH
A SPECIAL MICROCHIP?

ITS GOING TO HAPPEN, ITS JUST A MATTER
OF WHEN.

WHY?

BECAUSE PEOPLE ALREADY HAVE FOR YEARS
BEEN GETTING THINGS IMPLANTED SURGICALLY
INTO THEIR BODYS; SILICON IMPLANTS TO HAVE
→

Bigger BREASTS, PENILE IMPLANTS
FOR GUYS WHO CAN'T GET IT UP ANYMORE,
PACEMAKERS IMPLANTED FOR THOSE WHO
HAVE FAULTY TICKERS, ETC. ETC. ETC.
SO WHY NOT MICROPROCESSERS IMPLANTED
TO GIVE THE BRAIN ALL THE MEMORY
CAPACITY AND INFORMATION OF GOOGLE
AND AN ENCYCLOPEDIA BRITANICA?

IT'S GONNA HAPPEN, FOLKS; BANK ON IT.
IT'S ONLY A QUESTION OF WHEN, THAT'S ALL.

AS FOR ME - PAT/SALTY - I ALREADY
HAVE MY OWN GOOGLE/ENCYCLOPEDIA
IN MY HEAD.

IT'S CALLED A BRAIN.
MY OWN OLD FASHIONED BIOLOGICAL COMPUTER,
THANK YOU VERY MUCH.

SO I PERSONALLY WILL NOT BE NEEDING
ANY IMPLANTS ANYTIME SOON.

LIKE, NEVER (KNOCK ON WOOD...)

BUT OTHERS?

CAN'T SAY WHAT THEY MIGHT BE TEMPTED
TO DO OR TRY OR EMPLOY;

HECK, SENSE THEIR ALREADY WILLING TO
HAVE STUFF SURGICALLY IMPLANTED INTO THEIR
BODYS TO HAVE BIGGER BREASTS OR BIGGER
PENISES TO IMPRESS OTHER PEOPLE - WHAT WON'T THEY DO?
