

"SO, HOWS THE 'WAR ON CANCER' GOING?"  
BY PAT/SALTY

BETTER THEN 'THE WAR ON DRUGS' IS GOING.  
PRESIDENT NIXON IS ACTUALLY THE ONE  
WHO "DECLARED WAR ON CANCER" BACK  
IN THE DAY, IN THE EARLY 70'S.  
IT'S BEEN THE ONLY TIME SENSE  
PEARL HARBOR GOT ATTACKED THAT ANY  
PRESIDENT SENSE EVER ~~ACTUALLY~~ TOOK THE  
TIME TO ACTUALLY DECLARE WAR.  
ENGAGE IN WAR, ~~DO~~ <sup>SURE</sup> (VIETNAM, KOREA,  
GRENADA, PANAMA, PERSION GULF, IRAQ,  
AFGHANISTAN, ETC.)

BUT DECLARE WAR, NO.

SENSE 1941 THE ONLY PRESIDENT TO  
DECLARE WAR HAS BEEN NIXON.

ON CANCER.

AND, SALTYS REPORT CARD THESE 40  
YEARS LATER, IS: THE WAR ON CANCER  
DECLARED BY NIXON IS GOING GOOD, ACTUALLY!  
CANCER IS STEADILY LOSING GROUND ON  
ALL FRONTS.

THE NUMBER OF PEOPLE WHO SURVIVE  
THE VARIOUS CATAGORYS OF CANCER HAVE  
ALL GONE UP, PERCENTAGE WISE.  
IN EVERY CATAGORY - SOME, DRAMATICALLY SO.

(2)

PROGRESS IN THE WAR ON CANCER HAS BEEN - OF COURSE - ENORMOUSLY COSTLY AND SLOW - BUT STEADY + GRADUAL, THESE LAST 4 DECADES.

MORE PEOPLE SURVIVE - "BEAT" - THE VARIOUS CANCERS TODAY THEN EVER BEFORE.

EVEN THOSE WHO FALL TO IT TAKE LONGER TO DO SO (THEY SURVIVE LONGER WITH IT).

SO ONE CAN SAY THAT RICHARD NIXON'S WAR ON CANCER TURNED OUT A LOT BETTER FOR HIM AND HIS LEGACY THAN VIETNAM OR WATERGATE EVER DID - BEYOND DOUBT! THE NIXON HATERS WILL NEVER ADMIT IT, THOUGH. THIS, TOO, IS PREDICTABLE. (SORRY, MR. PRESIDENT) BEING THAT THEY WERE IGNORANT, AND STILL ARE. IGNORANT AND - NOWADAYS - DEAD, A LOT OF THEM. NOT THAT THE DEAD ARE IGNORANT, MIND YOU. BECAUSE SOME OF THE SMARTEST AND MOST

TALENTED PEOPLE I KNOW ARE DEAD, ~~PEOPLE~~ INCLUDING - OF COURSE - NIXON HIMSELF.

CANCER FINALLY MET ITS MATCH, IN NIXON. SO CANCER THOUGHT IT WAS MALIGNANT, HUH? WELL, CANCER HAS A THING OR TWO TO LEARN ABOUT MALIGNANCY, AND DICK NIXON WAS JUST THE ONE TO TEACH IT! "RRRRRR" XX
