

"POTENCIAL ROCKET SCIENTISTS OF THE WORLD; UNITE"
BY PAT / SALTY

LETS GET ALL THE POTENCIAL RUCKET
SCIENTIST TYPES OUT ~~there~~ ^{there} - FROM ALL
OVER THE WORLD - TOGEATHER IN ONE PLACE.
THERE ARE 5 BILLION PEOPLE OUT THERE, AFTER ALL.
WE MIGHT BE ABLE TO FILL UP THE ASTRODOME
OR THE NEW ORLEANS SUPERDOME.
IF WE RR LUCKY, THAT IS.

NOT A WHOLE LOT OF ROCKET SCIENTIST TYPES
OUT ~~there~~ THERE - PUT IT THAT WAY.

IF AN IGNORAMOUS CONVENTION WAS HELD,
ON THE OTHER HAND, WE WOULD NEED TO
RENT OUT EVERY FOOTBALL AND BASEBALL
STADIUM IN THE U.S. TO HOLD THEM ALL.
AND STILL THERE WOULDN'T BE ENOUGH ROOM.
HELL, THEY'DO HAVE TO RENT ALL THE
BASKETBALL ARENAS + CONVENTION CENTERS, TOO.
EVEN THAT WOULDN'T BE ENOUGH.

EVERY AIRPORT + AIRFIELD IN AMERICA
WOULD HAVE TO BE SHUT DOWN AND USED
TO HOLD THEM ALL.

AND THERE WOULD STILL BE ENOUGH MORONS
LEFT OVER TO LINE AMERICAS ~~EAST~~
MAIN EAST-WEST INTERSTATE 80
ALONG BOTH SIDES.

FROM COAST TO COAST.

TWO DEEP.

THAT SHOULD BE ENOUGH ROOM FOR THEM ALL.

FOR ALL THE - HOW SHALL WE PUT IT? -

FOR ALL THOSE WHOES ~~ARE~~ PROSPECTS
FOR MAKING ROCKET SCIENTIST ANYTIME
IN THE IMMEDIATE FUTURE ARE NOT GREAT.
ARE NON-EXISTANT, IN POINT OF FACT.
