

"IF IT AINT BROKE, DONT FIX IT!"
BY PAT/SALTY

DONT EVEN TRY TO FIX IT.
UNLESS ITS BROKE.

THEN TRY AND FIX IT.

OR "IMPROVE" IT.

NOT WHEN IT AINT BROKE.

THIS IS AN AGE OLD SAYING.

BROUGHT ABOUT BY COUNTLESS

GENERATIONS THAT HAVE COME BEFORE US.

WHO LEARNED THE HARD WAY.

THAT IF IT AINT BROKE, DONT FIX IT.

NOW, IF IT IS BROKE, THEN GO FOR IT.

KNOCK YOURSELF OUT.

GIVE IT YOUR BEST SHOT.

TRY TO FIX IT.

BUT ONLY IF ITS ALREADY BROKE.

ANYTHING THAT IS RUNNING FINE?

LEAVE IT FRIGGIN' ALONE!

THE WORSE THING IN THE WORLD IS

SOME BUSY BODY KNOW IT ALL WHO

IS CONVINCED THAT THEY CAN

IMPROVE SOMETHING THAT AINT BROKE.

THEN THEY BREAK IT IN THE PROCESS.

THESE PEOPLE ARE CALLED FOOLS.

BECAUSE THEY NEVER LEARNED THE RULE;

"IF IT AINT BROKE, THEN DONT FIX IT"
