

" IF They CAN SEND A MAN TO The moon... "

BY PAT/SALTY

Then why CAN'T They TAKE CONTROL OVER AMERICAS OWN NATURAL RESOURCES, INSTEAD OF LEAVING IT ALL IN THE HANDS OF FOOLS ~~AND STUPIDS~~ Like B.P. OIL AND THE LIKE ?

IF They CAN PUT A MAN ON THE MOON (A DOZEN MEN OVER A 3 YEAR PERIOD, IN FACT) THEN HOW COME They CAN'T KILL ONE LOUSY OVER THE HILL TERRORIST LEADER HIDING OUT FOR OVER EIGHT YEARS IN CAVES AND HOLES AND SHACKS OVER IN AFGHANISTAN / PAKISTAN, LIKE BIN LADEN ?

They CAN PUT A MAN ON THE MOON YET STILL CAN'T CURE THE COMMON COLD ? OR BUILD ENOUGH AFFORDABLE HOUSING ? OR COME UP WITH SOME PILL OR TREATMENT THAT WOULD ALLOW PEOPLE TO EAT WHATEVER THEY WANT AND GAIN NO WEIGHT ? WHERE THE HELL IS WERNER VON BRAUN WHEN THEY NEED HIM ? HITLER'S FORMER, TOP ROCKET SCIENTIST WHO HEADED NASA'S MOON LANDING PROJECT BACK IN THE 1960'S ? OH - I FORGOT - HE DIED BACK IN THE LATE 1970'S - I GUESS THAT EXPLAINS IT - "RRRRRR" X
