

"Some People, ALL They Think About is Sex"

By PAT/SALTY

SEX in The MOURNING.
SEX in The AFTERNOON.
SEX in The EVENING.
Some people, its ALL They EVER THINK ABOUT
SEX.

EVERYTHING Reminds Them About it.

Being AT The BEACH, SEX.

Being AT The MALL, SEX.

being AT school OR WORK, SEX.

EVEN FOOD Reminds Them OF SEX!

TASTING it, LICKING it, EATING it.

SWALLOWING it!

SEX, SEX, SEX - Their ENTIRE
Lives & EXISTANCES REVOLVE AROUND it.

AROUND ONLY SEX.

EVERYTHING.

They see A FUNERAL procession going by?
Reminds Them THAT THAT person will NEVER
be GETTING ANY SEX EVER AGAIN!

They PASS A REALLY, REALLY OLD couple
ON The STREET OR SIDEWALK?

They think "I WONDER ~~at~~ when THOSE
TWO LAST did it?"

SEX; its ALL some People EVER THINK ABOUT!
