

"WINNERS AND LOSERS"

BY PAT/SALTY

The New York Yankees - WINNERS!
The Chicago Cubs - LOSERS!
Why?

Because The Yankees have won 27
WORLD CHAMPIONSHIPS.

While The Cubs HAVEN'T WON EVEN
1 IN THE SAME PERIOD OF TIME.
THE LAST TIME THE CUBS WERE WORLD
CHAMPIONS WAS A HUNDRED YEARS AGO!
AND THE YANKEES HAVE DONE IT
27 TIMES SENSE THEN!

WINNERS: YANKEES. LOSERS: CUBS,
SOME ORGANIZATIONS + COUNTRIES ~~AND~~
+ INDIVIDUALS BECOME - ITS TRUE -
HATED WINNERS AND LOVABLE LOSERS
BUT THEIR STILL WINNERS - AND LOSERS.
WHEN THE N.Y. METS FIRST STARTED
BACK IN THE EARLY 1960'S THEY WERE
CONSIDERED LOVABLE LOSERS.
THE LAST FEW YEARS, THOUGH, THEY'RR
JUST PLAIN LOSERS.

THE LOVABLE PART IS GONE.

ONLY THE LOSER PART REMAINS.

HOWARD HUGHES WAS A WINNER IN
BUSINESS BUT A LOSER IN HIS PRIVATE LIFE.

(2)

SO he could be CONSIDERED somebody
WHO WAS A.C. / D.C.
WHO WENT BOTH WAYS IN THE
WINNERS / LOSERS DEPARTMENT.

DONALD TRUMP WORKS SO HARD
AT PROJECTING HIMSELF AS A WINNER
THAT he SETS OFF ALARM BELLS THAT
MAKE YOU WONDER; is he
~~really~~ REALLY LIKE HOWARD HUGHES?

OR, REALLY LIKE HOWARD HUGHES?

GERMANY WAS ON THE LOSERS END
OF BOTH WORLD WARS YET IS STILL
CONSIDERED, AS A COUNTRY, TO BE
A WINNER TODAY;

WHILE ENGLAND IS JUST THE OPPOSITE;
ALTHOUGH IT WAS ON THE WINNER
SIDE IN BOTH WORLD WARS IT STILL
— TODAY — CAN'T SEEM TO ESCAPE
A LINGERING ~~smell~~^{SMELL} OF LOSER ABOUT IT.

George WASHINGTON — WINNER!

King George — LOSER!

WINNERS AND LOSERS, ALL.

WINNERS AND LOSERS ARE LOCKED
TOGETHER IN AN ETERNAL DANCE.
ONLY YOU ALL KNOW WHAT HAPPENS AT
THE ETERNAL DANCE; →

(3)

The WINNERS WALK AWAY WITH
THE DANCES GRAND DOORPRIZE,
WHILE THE LOSERS WALK AWAY WITH
A SPRAINED ANKLE,

LIMP AWAY, RATHER.

IF They GET A PRIZE ITS LIKELY TO
BE A CONSOLATION FRUITCAKE OR SOME ~~SOME~~ ^{JUNK.}

A FRUITCAKE LEFT OVER FROM CHRISTMAS.

FROM A CHRISTMAS BACK IN THE 1980'S,

STUDYING PEOPLE AT ANY CRAPS TABLE
IN ANY GAMBLING CASINO, STUDYING
HOW THEY LOOK AND HOW THEY PLAY,
CAN TEACH ONE VOLUMES ABOUT THE
AGE OLD ETERNAL DANCE BETWEEN THE TWO.

BETWEEN WINNERS AND LOSERS,

YOU CAN'T REALLY TELL WITH THOSE THAT
ARE "IN BETWEENERS" (WITH THE AC/DC TYPES.)

BUT WITH THE OBVIOUS TYPES, WITH
THE OBVIOUS WINNERS AND OBVIOUS LOSERS,

ITS FAIRLY OBVIOUS TO PREDICT, WITHIN A
MATHEMATICAL PROBABILITY, WHO WILL
USUALLY MAKE THEIR POINTS AND WHO
WILL USUALLY CRAP OUT.

AND - AS THEY SAY - IT AIN'T ROCKET SCIENCE, EITHER.
